Dear Brother Paden:

It was my good fortune to be preaching for the Northridge Church of Christ, Dayton, Ohio, when you constructed their building in 1959. From the beginning of the job until now, I have recommended your company without reservation even with the minor snags that occurred during that job. Your plan saved the congregation at least \$20,000.

The congregation that meets in Livingston, Tennessee is making plans for a new building. They are interested in learning of your service. The preacher is Stanley J. A. McInery, P. O. Box 13, Livingston, Tennessee. The building committee chairman and an elder is A. L. Dean, Livingston, Tennessee.

I would, also, like some material which shows some of the buildings you have constructed in the past or other material which might be used for bulletin board displays here at Broad Street.

I send you my sincere regards for a successful 1962.

Fraternally yours,

John Allen Chalk
